

Investing for Success

**Under this agreement for 2017
Millaroo State School will receive**

\$7280.00

This funding will be used to

- Increase the percentage of students achieving a 'C' standard or above in English to 80% by 2017
- Ensure every student will achieve a 'C' standard or better against the relevant year-level achievement standard
- Increase the number of Prep – Year 2 students attaining Region Regression Reading Indicators to 100% in 2017

Our initiatives include

- Building teacher capability in gathering and using evidence to determine the different year-level curriculum some students require and to develop and successfully implement quality teaching and learning processes across the school

Our school will improve student outcomes by

- Engaging the services of a Speech Language Pathologist, Guidance Officer and Special Needs Teacher whose areas of professional expertise will develop strategies and support programmes for children accessing different year level curriculums.
- Engaging the services of a Speech Language Pathologist, Guidance Officer and Special Needs Teacher whose areas of professional expertise will assist teachers in developing programs/materials to use in working with specific students on particular learning goals and to provide professional development to staff in gradually shifting responsibility to students, monitoring techniques and extending students' thinking. **\$7280**
