

Investing for Success

**Under this agreement for 2020
Millaroo State School will receive**

\$5496.00*

This funding will be used to

The funding will target aspects of essential resourcing, professional learning experiences that yield high performing teaching practices. The funds will be used to improve student engagement rate in learning by:

- Developing assessment literate learners through the implementation of 100% of students reviewed with the inquiry cycle, twice per term (5-week data cycle).
- Increasing the percentage of Prep to Year 6 students from 86% in 2019 to 100% of Year 1 to Year 6 students to achieve an A-C level of achievement in English by the middle of 2020.
- Increasing the percentage of students achieving an A-B level of achievement to 100% in English by the end of 2020.

Our initiatives include

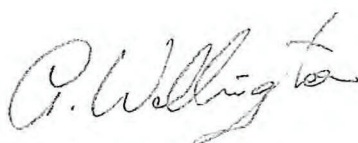

- Develop staff capability in data analysis to inform teaching and learning. Implement an Explicit Improvement Agenda with a sharp and narrow focus in writing.
- Implement individual learning goals for all students in writing.
- Implement whole school process for monitoring student achievement of goals.
- Collaboratively support staff implementing an inquiry cycle approach in English.
- Utilising the Literacy continuum/Early Start materials across Year 1 to Year 6, to identify students' skills and knowledge to track progress and focus on the next steps for teaching/learning.
- Implement Early Years daily Phonemic Awareness (Heggerty), daily sounds/Alphabet cards and daily Writing (One sentence at a time: Hodman and Wexler)

**Queensland
Government**

Our school will improve student outcomes by

- Release teaching staff to engage in building capacity when engaging with the inquiry cycles, data analysis and goal setting. \$1200
- Upskilling staff to explore student evidence as a vehicle for pedagogical excellence and high quality moderation practices. \$1000
- Professional learning release time for teachers to work collaboratively to co-plan, co-teach, co-assess and co-reflect, observe peer practices and collaborate on high yield practice. \$3296
